Music!

In the 1920s bamboo music was quite popular in the Solomon Islands. Bamboo music was made by hitting a hollow bamboo tubes of many sizes, they usually hit the bamboo with coconut husks.

There are a lot of festivals and events in Solomon Islands, which are almost on all round the year.

Festivals!

The place has turned into a popular tourist site and it gets lot of visitors all round the year. The Solomon islands can be reached within three hours by flight from Australia. The Solomon Islands is located to the south east of the Papua New Guinea. The variety of Festivals and Events in Solomon Islands are celebrated with great show.
